

ANKIT PAL

SOFTWARE ENGINEER | FULL STACK DEVELOPER

Email: ap70232789@gmail.com | Phone: +91 8818065531 | Location: Yamunanagar, Haryana
GitHub: github.com/AnkitPal2005 | LinkedIn: linkedin.com/in/ankit-pal-971859280
Portfolio: https://ankitpal-portfolio.netlify.app

PROFESSIONAL SUMMARY

Detail-oriented Software Engineer & Full Stack Developer currently working as a Software Developer Intern at WottaCore Digital Solutions. Experienced in building scalable web applications using ASP.NET Core, Angular, React, and Node.js. Skilled in frontend development, backend API development, database design, authentication systems, bug fixing, manual testing and production application maintenance. Enjoys solving real-world challenges through clean engineering.

TECHNICAL SKILLS

Programming Languages

C/C++, JavaScript, TypeScript

Frontend Development

Angular, React.js, HTML5, CSS3, Bootstrap, jQuery, Razor Views

Other Skills

Manual Testing, Test Case Creation, Bug Tracking, REST APIs, API Development

Backend Development

C#, .NET, ASP.NET Core MVC, ASP.NET Core Web API, Node.js, Express.js

Database & Tools

SQL Server, PostgreSQL, MongoDB, Dapper, Git, GitHub, VS Code

PROJECTS

School Management System

github.com/AnkitPal2005

Academic portal with Role-Based Authentication (Admin, Teacher, Student modules), attendance trackers, notes management dashboards, and automated PDF reports compilation.

Tech Stack: ASP.NET Core MVC, Dapper, SQL Server, Identity, Bootstrap, jQuery

Teacher Management System

github.com/AnkitPal2005

Administrative manager with staff profile CRUD operations, validation filters, multi-column search, and responsive layout.

Tech Stack: ASP.NET Core MVC, Dapper, SQL Server

Resume Builder

github.com/AnkitPal2005

Professional resume builder that exports formatted templates based on dynamic user entries and custom template selections.

Tech Stack: ASP.NET Core MVC, SQL Server, jQuery

Text Editor

github.com/AnkitPal2005/Text-Editor

Full-featured Rich Text Editor with real-time editing capabilities, comprehensive formatting options (bold, italic, underline, headings, lists, image insertion), and secure storage implementation.

Tech Stack: React.js, Node.js, Express.js, MongoDB

Schedule Sync

github.com/AnkitPal2005/time-table-mng

Web-based timetable management system featuring leave approval workflow, conflict-free class scheduling algorithm, and role-based access control for efficient academic administration.

Tech Stack: Node.js, Express.js, MongoDB, JavaScript

PROFESSIONAL EXPERIENCE

Software Engineer Full Stack Developer WottaCore Digital Solutions - Architecting and developing enterprise-grade web applications with ASP.NET Core and Angular. - Designing secure REST APIs, role-based authentication systems, and database schemas. - Optimizing SQL Server & PostgreSQL queries for high-performance production workloads. - Collaborating with cross-functional product and dev teams to ship features using Agile methodologies.	March 2026 - Present
Software Developer Intern WottaCore Digital Solutions - Developed Angular applications and components for dynamic user portals. - Worked on ASP.NET Core backend services and database designs. - API integration, feature enhancements, and manual testing on production applications. - Collaborated with development teams on production release builds.	January 2026 - March 2026
Web Development Intern CodeQuotient - Industrial Training - Developed dynamic web applications using Express.js and MongoDB with focus on scalability and performance. - Implemented UI improvements and responsive design principles for enhanced user experience. - Built robust backend API solutions with RESTful architecture and proper error handling. - Solved real-world problems through practical implementations and collaborative development.	July 2025 - September 2025
Summer Training CodeQuotient - Focused on core frontend development technologies including HTML5, CSS3, and JavaScript ES6+. - Built mini projects including Stopwatch and Online Code Compiler demonstrating practical skills. - Enhanced problem-solving abilities and strengthened programming fundamentals.	July 2024 - August 2024

EDUCATION

Bachelor of Computer Applications (BCA) Cloud Technology & Information Security Kurukshetra University 2023 - Present	CGPA: 8.67
Senior Secondary (Non-Medical) Govt Model Sanskriti Sr Sec School, Chhachhrauli 2022 - 2023	60%
Secondary Education Guru Nanak Public School, Chhachhrauli 2020 - 2021	93%

ADDITIONAL INFORMATION

Certifications & Training

- Industrial Training - Web Development (CodeQuotient)
- Summer Training - Frontend Development (CodeQuotient)

Languages

- English - Professional Working Proficiency
- Hindi - Native/Bilingual Proficiency
